Ring Hard Hit by the Success of Athlone Prince Hamburg Takes the Three-Year-Old Handleap-All the Winners at Saratoga Are Well Supported.

SARATOGA. Aug. 7.-Three favorites, a second choice and two successful good things at liberal odds put a crimp in the layers' bank rolls here to-day. The feature of the card, in which all of the races produced large fields, was the Catskill Selling Stakes, for threeyear-olds and upward, seven furlongs. The smart players centered their support upon T. C. McDowell's Geranium, who was pounded down to 8 to 5 favorite, getting a sensational run for their money before it was possible for them to cash. There were fourteen starters, and soon after the getaway Geranium was shut off so that Lyne had to take her completely around the field. Meanwhile Right and True, 12 to 1, had opened up a good lead, attended by Good-Bye, 500 to 1, who stopped at the half mile pole. Then Fustian, 60 to 1, went after the leader, who was tiring in the stretch, after which Geranium closed with a gallant rush and won in a drive by a head in 1:27 2-5. Fustian beating

Right and True by the same margin.

The ring suffered a heavy jolt when Athlone, running in the colors of W. S. Wishard, won the fifth race at a mile. He was hammered from 4 to 1 down to 11 to 5 favorite, Get-Rich-Quick Ryan's money being placed with many of the books. Athlone was in hand all the way and won easily by two and a half length King Rose, 20 to 1. who was a contender all the way, took the place from Kansas Price's The Gadfly, 7 to 1, by a head. The Mighty, 13 to 5, second choice, was close to the money. Peggy O'Neal was in front at six furlongs, but stopped. The mile was the contended of the money. run in 1:41 1-5.

Harry Payne Whitney, who sails for Europe on Wednesday, saw his colt Prince Hamburg, 5 to 2 second choice, win the opening event, a handicap for three-year-olds at seven furlongs. Prince Hamburg picked up 121 pounds, led all the way, though hard pressed by the Oneck Stable's Kiamesha, 9 to 2, and beat the latter a neck in 127 1-5. D'Arkle, 12 to 1, was third. Rubric, the favorite, could not get out of his own way and was last.

The steeplechase, while practically a farce, inasmuch as six of the ten starters either fell or refused, was another hard blow for the books. Pious was backed from 10 to 1 down to sevens and came home in a rgallop, with four lengths to spare, in 436 2-5. Ruth's Rattler, 10 to 1, had a mortgage on the place, with Neponset, 6 to 1, third. Game Cock, Pagan Bey and Steelmaker, well backed, came to grief.

E. R. Bradley put Vi-O, at 6 to 1, over the plate in the third race, for two-year-old fillies and geldings, at five and a half furlongs. Willie Knapp cut her loose-at the head of the stretch, and she got home in a driye a half a length before Lady Navarre, 15 to 1, with Harry Payner Whitney's Commune, 18 to 5, half a length back. The favorite, Sydney Paget's Watergrass, was in front for half a mile and then backed up.

Another favorite, F. R. Hitchcock's Vendor, 7 to 5, was victorious in the last race, a handicap for two-year-olds at five and a half furlongs. Shaw had him under a pull all the way, and he landed the money by a length and a half in 138. W. H. Snyder's Anodyne, 20 to 1, who was off poorly, ran into the place three lengths before Father Bill Daly's Veronese, 50 to 1. Rubaiyat, 15 to 1, led for the greater part of the distance and then quit. RUHLIN TO MEET HART. It All Depends on How the Akron Giant

Fares With McCormick. Billy Madden writes to THE SUN from the training quarters of Gus Ruhlin to say that a match between Marvin Hart and the Akron Giant is probable, but it depends on how Ruhlin fares with Jim McCormick. The Texas heavyweight and Ruhlin are to meet Texas heavyweight and Ruhlin are to meet at Colma, Cal., before the Colma A. C., on Aug. 11. Madden has been in communication with Hart and the latter has promised to take Ruhlin on. Jimmy Coffroth, who is one of the moving spirits in the Colma club, has decided to ofter a purse for the two, it is said, to have it out on Labor Day afternoon. Hart is now getting into trim and expects to be in good condition by that time. Ruhlin, Madden writes, is in fine condition and expects to beat McCormick inside of ten rounds. The Texas heavyweight is training hard, and John L. Sullivan, who is McCormick's manager, is confident that his man will beat Ruhlin. Despite the fact that Ruhlin is expected to beat McCormick there is considerable interest in town on the result of the scrap.

GET-RICH-QUICK MAN CLEANS UP \$30,000 ON ATHLONE.

Stewards Will Investigate Running of Horse Entered in W. S. Wishard's Name Supposed to Belong to the Speculator Plunges on Geranium and Vendor.

the Saratoga Racing Association's meeting opened to-day with an enthusia am and an éclat that make certain of the predictions of last week that this will be a banner year for Saratoga raving. Every train coming from the East or West brings additions to those already on the ground, and this is apt to be the tale for the remainder of the season. That the racing has been of a high grade none will deny, and it will im-prove steadily until the close comes. No track in the country provides so great a number of stables, and every stall has an occupant, with a demand for all outside every equine star of the country and they have been brought here to race. The conditions are such as will bring all to the post

with the colors up. And this guarantees contests of the keenest order.

Thus far the layers have had things their own way, but to-day's results brought a beief that the betters are getting a line on the form of the combinations of Eastern, Western, and Canadian horses, and this is sure to bring an increase in speculation. At least three good things were pulled off to-day which sent the plungers home in good humor and with bulging pockets.

Most sensational of these crusades for the

coin of the layers was that which came with the fifth event, which was won by Athlone, a four-year-old gelding by Handsel-Lizzie Gilman. He races in the name of W. S. Wishard, who has campaigned in the West for years back without attracting any special attention. The horse was started here last week and was beaten off, finishing seventh week and was beaten on mishing seventing in a field of eight. To-day from the instant the odds were posted there was a steady play on him, and it came from quarters that must be styled wise. He was prominent from the lifting of the barrier and won in a manner that brought some reference to his last race.

This talk was increased here by a rumor that the real owner of the horse is John J. Ryan of "get rich quick" fame. In the places where the horsemen meet and thrash out the day's doings it was stated positively that Ryan engineered the coup and was the

tered to be soid for sease. In time against boosting stooped at \$2,000, at which we he bidder was a party known as "Slim," but it is believed he was acting for Will Shields.

Solace for the losers and the third plunge of the day was on Vendor in the closing event. This colt, like all the others in the string of Frank Hitchcock, is in the pink of condition just now and he won in most impressive manner. He found things pretty lively in which we have a strength of the pretty lively in the string of the s

Angle stepped some in the third heat, but could never get up.

In the 2:08 pace the drivers scored so often that the spectators turned to the bar for relief. Finally the starter let them straggle off, and Geary, the Canadian hope, proved the winner. Geary, who had sold for \$20 in the \$250 pools, in which Miss Wilamont sold at \$100, then became the favorite at \$50 to \$65 on the field, but he had shot his bolt. He broke on the backstretch, and the heat went to Knapsack McCarthy with Ethel Mc., who in the third heat came up on the rail and nosed out Don Carr in a whipping finish. All the old guard of the Grand Circuit are gathered here, as if making a last stand in these troublous times. The attendance was greatly swelled by excursions from Canada, it being a civic holiday in the Dominion. Summaries:

LIVELY POLO MATCH. Many Falls in Game Between Westchester and Point Judith Teams.

NARRAGANSETT, Aug. 7.—In an exciting polo match the Westchester Country Club's polo match the Westchester Country Club's first team won the Point Judith Cup at Wildfield Farm to-day, defeating the Point Judith four by a score of 17% to 5%. The game was the best exhibition of polo seen at the Pier this season. Both sides made three goals in the first period, when the score was tied 3 to 3. Joshua Crane, Jr., was thrown from his pony in the first period, and in the second Robert J. Collier received an ugly cut from a polo mailet over his ieft eye.

J. M. Waterbury, Jr., was thrown in the second period and turned a somersault as he fell. The third period was hotly contested, and not a goal was scored by either team. Crane received a sensational fall in this period and turned a somersault. He was unhurt. Westchester piled up six goals in the last period, and won the match easily. Collier and Waterbury played brilliantly.

Manager Griffith Has a Close Call Clark Griffith, manager of the New Yo Americans, had a close call last Sunday night being taken with an attack of ptomain poisoning while on his way home from Cone Island. His wife was with him at the time Island. His wife was with him at the time and when he became suddenly ill he was taken from the train and to the house of a physician at New Utrecht avenue and Fifty-sixth street. The physician brought him around all right, but he was very weak all of yesterday and was unable to attend the ball game. President Gordon went over yesterday afternoon in an automobile to bring him to his home in Manhattan.

The Clevelands have lost ten straight games. W. A.S.—Browne is 5 feet 9 inches tall and weight 160 pounds. The New York Americans by winning yester day's game won the season's series from the Browns. "The New Yorks," says R. L. Hedges, owner of the St. Louis Browns, "are playing the set ball in the American League." It is something of a race when the leading teas has a percentage of less than .000, as is the case in the American League.

No better umpiring has been seen around than that done by Jack Sheridan in the Cleve and St. Louis games. Sheridan, like Emsile, not fuss with the players. not russ with the players.

Cy Young struck out twelve of the Cleve last Saturday, and in the number was every on the team except the battery.

E. J. Morse-Under the circumstances he that is, the other side being willing. The thing happened in the Yale-Princeton Same in city last June.

Stone of the Browns made seven runs and hits in the series of five games at American Park. Among the hits were two triples a home runs. Among the big league hads season Stone must not be overlooked. It fast as the wind on the bases, as well as a Since July 24 he has been batting over .500. P. H. B.—When a man makes a hit that chim past third base and he is put out at the he makes a three bagger by all means. It is as much of a three bagger as it would have had he not been put out. If Dobhs made a splay he should have been credited with a bagger.
